

# Hi-Yield®

## 10% Carbaryl Garden & Pet Dust

**Formulation:** Carbaryl

Provides control of insects on vegetables, flowers, berries, shrubs, grapes and lawns. Controls leaf hoppers, lace bugs, army worms, earwigs and many others. Labeled for flea and tick control on cats and dogs.

**Application Rate:** Apply when insects or their damage first appears, thoroughly dusting upper and lower leaf surfaces. Repeat at 7-10 day intervals or as needed.
